How boldly? how wilfully? how impudently? quam audacter? quam libidinose? quam impudenter? Men understand not how great a revenue good husbandry is, non intelligent homines quam magnum vectigal sit parsimonia. How soon will you help me? quam mox operam das?
How far, Quatenus, quanto. ¶ They know what, and how far, and after what manner they will speak, sciunt quid, & quatenus, & quomodo dicturi sint. It is incredible how far I pass my master in my wisdom, incredibile est quanto herum anteco sapientiâ.

I could not tell how to give up his account, non invenit quo pacto rationem redderet. How knowest thou that? unde id scis? I think you have heard how these stood about me, credo te audisse ut me circumstiterunt. And I know not how to avoid it, neque uti devitem scio.
How much, Quantum, quod, quantâ, quanti, quam. ¶ How much are people mistaken? quantum animis erris inest? By how much I am wanting in parts, by so much the more diligent I thought myself obliged to be, quod minus ingenio possum, subsidio mihi diligentem comparavi. As long as it shall not repent you how much you profit, quoad quantum proficias non penitebit. Ah! you know not how much I grieve, ah! nescis quam doleam. How I fear what you are going to say! quam timeo quorsum evadas! Did you not know how much the citizens esteemed him? quanti is à civibus haberetur ignorabas?

He fell on the body of his noble friend, in egregium corpus amici prociidit. Having spent abundance of money on that work, consumpta in id opus ingenti pecuniâ. On either side there is great power in fortune, in utramque partem magna est vis in fortunâ. Lay not the blame on me, ne conferas culpam in me. He had a ring on his finger, in digito habuit anulum. It was all one to those that killed him, vultus be- jaid, non interfuit occidentium quid diceret. They differ one from another, inter se dissident. How shall one deal with such folks? quid cum illis agas? As being one that understood, quippe qui intellexerat. He is made to pay four for one, actio in quadruplum datur. Reasoning it all one, as if he had made use of them, perinde æstimans ac si usus esset. I sent one to pay for the carriage, misi qui vecturâ solveret.
